Progression to School Workshop

When: Thursday 22nd June 2017, 10:00-1:00pm

Where: Penrith Bowling & Recreation Club, Cnr Woodriff St & Derby St, Penrith 2750

Early Days Workshops are designed for parents and carers with a child (aged 0-7 years) who is (or may be) on the spectrum.

It is recommended that families will have previously attended an Early Days workshop as we have lots of important progression to school information to cover in this workshop

Progression to School Workshops can help you:

- Plan, Prepare, Practise and develop Practical and Play Skills to work towards a smooth progression to school for your child
- Determine school readiness skills for your child and
- identify how you can work towards developing these at home
- Gain information on funding options for school-aged children

Progression to School Workshops are:

- Scheduled throughout Sydney and regional NSW
- Facilitated by qualified professionals with backgrounds in providing services, advice and supports to families of children on the spectrum.
- For small groups
- **Free of charge**
- Run within school hours and at evenings
- Not able to provide childcare
